

A Veteran is a person who served in the active military, naval or air service and who was discharged or released under conditions other than dishonorable. Time or dates served, a service-related health condition, income level and/or other circumstance could qualify a Veteran for VA health care. For more information about Federal Benefits for Veterans, Dependents and Survivors, visit [http://www.va.gov/opa/publications/benefits\\_book.asp](http://www.va.gov/opa/publications/benefits_book.asp).

All Veterans should check on eligibility by completing an application. To expedite the process, Veterans should have available their DD-214\*, current health coverage card(s), and financial information.
